## **BERKELEY SEARCH CONSULTANTS CONGRATULATES EFTON HALL, JR AS OUR NEW SENIOR VICE PRESIDENT**

Efton Hall, Jr. has been promoted from Vice President, Healthcare & Life Sciences Practice to Senior Vice President, Healthcare, Life Sciences & Public Sector Practice.

*"With over 20 years of commitment to the search industry and specifically to our firm, Efton has earned a well-deserved promotion to SVP of the Healthcare, Life Sciences & Public Sector Practice. His successful prior hospital administration experience coupled with his dedication to the mastery of executive search has consistently delivered superior results for our clients,"* says Mark Howard, President & CEO of Berkeley Search Consultants.

Following his previous role as Vice President, Healthcare & Life Sciences Practice, Efton Hall, Jr. builds on his personal track record of success by expanding the firm's focus to include an increased emphasis on the public sector search. As Senior Vice President, Healthcare, Life Science & Public Sector Practice, Efton manages client engagements, as well as mid-to-senior level executive searches in all three verticals.

Efton initially joined Berkeley Search Consultants (BSC) in 1992 and invested two decades of his professional career with the company. After establishing a very successful healthcare executive search practice, he was recruited back into the healthcare industry in 2002 to be a Hospital Administrator, In-Patient and Acute Care Services at Alameda County Medical Center. He later served as Interim CEO for the organization. Efton went on to serve as Chief Operating Officer for Kaiser Medical Center - Hayward before returning to BSC. The time back in the field has allowed Efton to enrich his industry knowledge which greatly benefits the clients he serves.

Efton's prior experience as a hospital and health system executive, as well as his experience in the public sector, distinguishes him amongst search consultants with similar specialties.

As he commences his third decade in search, Efton will expand the public sector practice for BSC while he continues to provide leadership for the healthcare and life sciences practice. Building on his personal track record in both the private and the public sectors, BSC will be able to develop dedicated teams that will continue to provide unparalleled search results for every client.
