

Career Opportunity Available

Position Title: Associate Director, Community Health and Wellness

Organization: Harris County Public Health, Harris County, TX

Organization Type: County Government

Location: Houston, TX

Salary Range: Competitive

Organizational Profile

Berkeley Search Consultants has been retained by Harris County Public Health for the recruitment of the Associate Director, Community Health and Wellness position. Harris County is the third largest county in the United States, with a population of more than 4.5 million. The county has more than 75 departments and over 18,000 employees. Harris County is governed by Harris County Commissioners Court, which is composed of a County Judge and four Commissioners. The Commissioners Court oversees a \$4.3 billion budget that helps fund key county services and institutions. The County is in a time of tremendous opportunity, with the resources and the political support to create meaningful change.

Position Profile

Harris County's vision for public health is to improve overall health and quality of life by implementing preventative and responsive public health strategies, providing access to affordable and high-quality health care, and addressing the social determinants of health to eliminate disparities and achieve health equity. Under general supervision of the Community Health and Wellness Division Director, the Associate Director, will provide oversight of the division's operations including budget and workforce management. Additionally, the incumbent will assist with the strategic development of innovative outreach, preventive and clinical programming to produce measurable and impactful health and wellness community outcomes.

Experience

- Master's Degree from an accredited college or university in Business/Public Administration, Public Health, Healthcare Administration or related field.
- 5 years of progressive leadership experience in program administration, coordination, planning and supervision (healthcare administration experience preferred)
- Revenue Cycle Management
- Grant funding and budgeting knowledge

Preferred Qualifications

- 2 years of Executive Leadership
- Change Management Skills

This role would be a great fit for someone who would be excited by the opportunity to positively impact the health and well-being of 4.5 million people.
