

**Title:** Audit Senior Associate – Corporate Practice

**Location:** Remote, PST

**Compensation:** \$95,000 - \$125,000

**Client:** Accounting Firm in Silicon Valley

**Basic Purpose**

Our client has open positions available in their Corporate Audit practice. Seniors with the firm will work alongside auditors at all levels as they serve their progressive client base. These clients may include public companies, established privately held entities, or technology startups. Take your audit career to the next level by working as a business advisor to our client's diverse clientele!

**Essential Duties and Responsibilities**

- Lead client audit engagements, which include planning, executing, directing and completing financial audits
- In-charging or supervising multiple engagements and supervising teams of 2-3 staff
- Obtain a thorough understanding of PCAOB and generally accepted auditing standards, common audit procedures and techniques
- Supervise, train and mentor associates and interns on the audit process
- Research and analyze financial statement and audit related issues
- Report to Managers, Senior Managers and Partners

**Eligibility Requirements**

- Bachelor's degree or Master's degree in business, accounting, or with emphasis in accounting
- CPA certification or CPA exams in process. Must have CPA eligibility coursework completed
- 3-5 years of experience in a public accounting role, focused in general auditing of private or public companies
- Experience acting as primary client contact or team lead, preferred
- Professionalism, dependability, integrity and trustworthiness combined with a cooperative attitude
- Dedication to superior client service
