

**Title:** Director of Finance

**Location:** Emeryville, California

**Compensation:** Salary

**Client:** Confidential

**Company Overview:**

Our Client is a people-first, well-established CPG company located in Emeryville, California. Our client believes that the outdoors and a good workout can be the antidote to many of life's problems.

**Job Description:**

Reporting directly to the President, this teammate will oversee all financial aspects of the business and drive our financial strategy and planning efforts. This role manages all P&L, cash flow, and balance sheets while continuously collaborating with the Leadership Team to assess the financial efficacy of program operations and establish finance and administrative systems to support company goals and operations. The Director of Finance will maintain a constant awareness of our Client's financial position and lead the annual budgeting and planning process.

**Education and Experience Requirements:**

- 10+ years' experience in finance and/or accounting positions
- MBA or equivalent experience
- CPA highly desirable
- Extensive knowledge of corporate finance and accounting principles, laws, and best practices
- P&L, Cash Flow, Balance Sheet Experience
- Excellent cross-functional partnership skills
