

Title: Facilities Manager-in-Training

Location: Onsite in San Jose

Compensation: \$65k - \$70k

Client: Confidential

Company Overview

Our Client is a growing premier fitness club.

Job Description

The Facilities Manager-in-Training position offers the participant a unique opportunity to gain cross-club and departmental management skills, leadership and hands-on facilities and housekeeping experience through mentoring, live/hands-on and virtual training, special assignments, projects, and on-the-job practice. Exposure to all facets of club facilities management functions/oversight, facility maintenance, construction, and housekeeping processes. Successful progression through the stages of the position will lead to advancement to a leadership role within the Facilities Management organization.

Education and Experience Requirements

- High school diploma or equivalent
- College degree preferred, or equivalent skills gained through experience in Management, Business Administration, Engineering, Architecture, Construction Management, or a related field
- Strong analytical and problem-solving skills, with the ability to interpret data and make strategic decisions
- Specific experience in construction (new and renovations) and aquatics facility management is a plus
- Trade skill experience (plumbing, electrical, mechanical, HVAC, carpentry, etc.) is a plus
- Analytical and budgeting skills
- Word, Excel, Project, PowerPoint, SharePoint proficiency
