

Title: Pool and Facilities Director
Location: Roseville, California
Onsite/Hybrid/Remote: Onsite
Organization Type: Hospitality and Fitness
Salary Range/Compensation: 70-80/k
Client: Confidential

Company Overview: Our Client is a growing fitness and wellness company.

Job Description:

The Pool and Facilities Director manages all facility operations to ensure a safe, fully functional, and well-maintained environment. Key responsibilities include overseeing the day-to-day operations, maintenance, and safety of the pool facilities. The ideal candidate will be responsible for maintaining high standards of pool cleanliness, safety, and overall functionality, ensuring superior experience for all patrons. A strong background in pool maintenance, water chemistry, and facility management is essential to succeed in this role. This role involves recruiting, training, and managing a team of Maintenance Technicians while providing leadership to foster a high-performance culture.

Education and Experience:

- Minimum of 2 years of experience in pool maintenance, facility management, or related field.
- Strong knowledge of pool water chemistry, filtration systems, and pool safety practices.
- Current CPO certification or ability to obtain within 90 days.
- First Aid/CPR certification (required within 90 days of hire).
- Two or more years of college or trade school preferred.

Skills:

- Strong knowledge of pool water chemistry, filtration systems, and pool safety practices.
- Current CPO certification or ability to obtain within 90 days.
- First Aid/CPR certification (required within 90 days of hire).

Attractive Factors: Gym membership, 401/K, PTO, full benefits

Important Note: Candidates who do not have pool maintenance experience need not apply.
